Because customer satisfaction is very important to us!

WE ARE...

We are a family company **WITH MORE THAN 30 - YEAR TRADITION OF OPERATING**. To the customers who deal with drug packaging we offer printed aluminum or laminated foils in widths up to 360 mm according to customer requirements.

MODERN

Production is carried out in accordance with customer requirements on modern lines in **ISO 8 CLASS CLEAN ROOM ENVIRONMENT**, in accordance with the GMP standards so that products can be safe, functional and quality. We are very flexible in terms of quantities and deadlines.

We believe that with our confidence, professionalism and flexibility we can satisfy most of the needs and requirements of customers in the packaging of medicinal products and establish lasting partnerships to the mutual satisfaction.

UP TO 6 COLORS

Prints can be in one color or in a combination of **UP TO SIX COLORS IN UV FLEXTM TECHNIQUE** at various foil thickness and composition. We use neutral materials from specialized and renowned European manufacturers such as Amcor Flexibles, Constantia Flexibles and Aluberg S.P.A.

CUSTOMER ORIENTED

Our products are always in rolls, protective wrapped and packed on pallets. **WE ALSO PROVIDE DELIVERY TO THE CUSTOMER**. Our standard products are thermo-lacquered films in a thickness of 20 to 25 microns, as well as other foils.
